Dear Cherry

Dear Cherry,

It's been awhile now since Cherry #19 came out, and I was wondering if #20 has come out yet. Also did Cherry's Jubilee #5 ever come out, or has that title been cancelled? I've been collecting your comics ever since I saw issue #1 on the "Adults Only" shelf at a comics shop at the Staten Island Mall. The idea of somebody parodying a certain, well-known teenage comics icon really appealed to my warped sense of humor. Were I a better artist, I might have done it myself!

I know that the comics industry is going through a major slump right now, but I'm hopping that this won't keep us from seeing more issues of Cherry and Cherry's Jubilee.

As far as things I'd like to see in the books, I like the school-set stories, as it keeps true to the initial sex-parody concept. However, I also like the film parodies and adventure stories. Since bad-girl comics are still pretty hot, it might be fun to see your take on such characters as Catwoman, Vampirella, Lady Death, Purgatori, and others. Also, I still fondly remember the days of GLOW (gorgeous ladies of wrestling). Maybe a story with Cherry and the gang being lady wrestlers could be cool. Awhile back, there was a Vampire Lestat parody that was pretty cool. How about a Cherry the Vampire Lover story a la Buffy the Vampire Slayer?

A few years back, when I was in college, a friend of mine was dating a girl who worked in the local ice cream parlor. Every night, after they closed, she'd strip down naked and dance on the soft-serve machine! That might be a nifty setting for a Cherry story, Huh?

In closing, let me just say that I love your books. Anything that can get me hot and make me laugh at the same time is awesome!

Take it easy,

Dan

Dear Dan,

You got a Cherry comic at the Staten Island mall? Wow Well if you are reading this letter #20 is out The plan is to get #21, #22, and a bowlful of Cherry reprints by the end of the year At this moment Cherry's Jubilee is still on hold. Yes, the comic industry is going thru a major slump, but we're hoping to keep on going and get more Cherrys out than ever before.

Love ya,

Cherry

Dear Cherry

Of all the couplings in your erotic fantasy world, Cherry with her Mom is the sweetest.

When the two of them get together, it always creates the hottest scenes. Their lovemaking is very passionate and wet. No other scene you've done rivals the sensuality of the "seduction" scene from "Cherry Does the Time Warp." Where Cherry slowly kisses her Mom, then nibbles on her ear, licks her neck, caresses her breasts, fingers and licks her moist snatch, and finally masturbates her to climax with a dildo.

You can tell it's just not crude sex between them. They both have genuine affection towards each other. Without question, the tenderest scene in the entire series has been at the end of "Cherry Does the Time Warp." Mom is sad that Cherry has to leave. Then the two French kiss and Cherry tells her Mom that she loves her. :)

Cherry and Mom are both so open and free of inhibitions. They are cut from the same cloth, yet are quite different from each other. What I find the most charming is how playful they are toward one another's sluttiness.

Living together must be paradise! When Cherry sees her gorgeous mother in a sexy mini-dress or Mom sees her nubile daughter in a cute, little cheerleader's uniform, I bet they can't keep their hands (or tongues) off each other! When Cherry and Mom do make love, they are always shown licking each other's cunnys. Although I'm sure they both quite enjoy nibbling on those succulent morsels, they should have more variety to their lovemaking. Like sensuous hot baths, or showering together, or midnight nude swims in the backyard pool. Perhaps Mom can show her daughter the joys of cooking with warm honey, cool ice cubes, or a fresh cucumber. Or get nasty and have one wear a strap-on and fuck the other in the pussy and ass. Or add spice to their sex lives with a little kink, like spankings,

bondage, analingus, or fisting.

Cherry and her Mom remind us that forbidden fruit is the sweetest!

Love,
Terry

Dear Terry,

Here's a sample of that forbidden fruit They just love each other and so does everyone else. The most requested thing we get is for Mom and Cherry to be doing it. Yum! Yum!

Dear Larry Welz,

Good to have you back! The way things were going, I thought we may never have a new issue of Cherry again. Glad to see I was wrong. Loved the issue. Cherry and her mom shouldn't have wasted anytime with that H. Hardon Cappy asshole and just done each other. Speaking of Mom. I've got a couple of suggestions of her you might use.

Mom's Grocery List: chocolate sauce, whipped cream, honey, jello (cherry flavored), cooking oil, zucchini, cucumbers, carrots, clothespins, batteries,...

Have Mom in a sexy French maids outfit lecturing Cherry. Mom: "Cherry, you really need to clean up after yourself. You think I'm your maid!"

Tony

Dear Tony,

I know its been a long time between issues I'm hoping that all will be changing with the New Year Three new books should be out this year with a new reprint every month. Things have been crazy for Cherry the last 4 years, what with all the changes going on in the industry, it's been very hard to get a creative roll going We are now self-publishing and working on getting our web page up and running More Cherry is what everyone wants and we plan on giving it to you and everyone else.

Cherry

Dear Cherry,

Holy shit, two years between issues! I hope we don't have too wait that long again for *Cherry Deluxe #2* to come out!

I really enjoyed the new comic, although I am a bit confused about a few things in the second story. Why is it in the flashback, when H. Hardon shoots his wad, Mom ducks out of the way? I can't believe that Mom, being the cum-hungry slut that she is, would purposely avoid the opportunity to gulp down a hot, creamy load. And why does she evade getting butt-fucked, when we all know she loves to take it up the ass? When they visit H. Hardon in our time, and the jerk can't get it up, why doesn't Cherry get down on her knees and help her Mom out? I bet those two sucking cock together could make a 100 year old man's dick feel like a lightning rod! Why is it when Cherry gets turned on seeing her Mom all naked and fucking, she just stands there and masturbates? All she had to do was pull off her dress and join them and they could suck on each other's tits and let Mom finger her pussy.

I want to see more incest in *Cherry* Cherry and her mother make such a hot, sweet pair of lovers! I really enjoy watching them lapping at each other's cunts, kissing passionately, using toys on one another, or having a threesome With some lucky guy or girl. What I'd really love to see is Mom wearing a strap-on and butt-fucking Cherry. That would be awesome!

I'd also like to see more bestiality and bondage, preferably with those two hot sluts together.

Dirty Dog

Dear Dirty Dog,

Everyone wants the same thing more *Issues*, more *Mom*, more *incest*. We hope to be giving you all that and more ..
